Cabinet Member Foreword

Lambeth is a wonderfully diverse borough, our cultural events in Lambeth play a pivotal role reflecting this diversity in educating, entertaining and helping to bring our communities together. Lambeth attracts thousands of visitors to our events which, in turn, helps to boost the local economy that hosts them.

In 2019 we undertook a public consultation to review our 2016-2020 Event Strategy. Following that we established that the overarching values from 2016 should remain. But in the refreshed strategy, there needed to be a focus on events being environmentally sustainable, financially transparent, locally-led and accountable.

At the beginning of 2020, the COVID-19 Pandemic and response changed the way events were delivered across the country. As Government guidance changed to permit outdoor events, our events team continues to work with colleagues in Public Health and the Safety Advisory Group to ensure that any events that are allowed to take place are in line with the current guidance. The delivery of the events strategy is conditional upon such guidance enabling events taking place, especially those which are large scale which has been impacted the most by the COVID19 requirements.

Our events team host, manage and support events of all types and sizes throughout the year. They have diversified the activities and spaces used across the borough to ensure there is something for everyone.

These fantastic events have brought the spirit of equality and diversity to our borough. Our parks and open spaces have been hosting some of the biggest musical names in the industry. We have hosted significant charity events that fundraise millions of pounds to support numerous important causes. It's been genuinely fantastic to see our communities come together through our many community events and street parties. We also shared the brave and courageous stories at events of the people who came to live and work in Lambeth and honoured the heroes who fought for our Country. These events have been vital in promoting the borough and all the beautiful things people can enjoy while visiting Lambeth.

Each year we are proud to deliver the award-winning Lambeth Country Show with attendance of up to 150,000 people. This year would be the 46th annual free to attend event, bringing a whole host of entertainment, local and international live musical performances. Glorious food, arts and crafts from all over the world and not forgetting the beloved flower show, the many farm animals and everything countryside that you would expect. This event is a testament to the unique character and culture of the people of Lambeth.

We also have some of the best outdoor venues in London from Clapham Common to Brockwell Park and Kennington Park to Streatham Common. Hosting a major event in Lambeth has been part of our history for decades, going back to 1785, where outdoor musical events were held in our parks,

such as Vauxhall Pleasure Gardens and Clapham Common. These events have all helped to shape our history and communities. They are crucial to our identity and create memorable experiences for everyone who lives, works and plays in Lambeth.

For our residents, events have provided recreational, employment and educational opportunities that help to build strong and resilient communities through participation and involvement; as well as increasing health and social benefits. They help raise the profile of the borough at a national and international level while providing visitors to the area with a lively and dynamic experience at any time of year.

The work that the council's EventLambeth team has done in hosting a diverse programme of events has helped to make Lambeth one of the best destinations for events in London.

2020 to 2025 will be our biggest challenge in making Lambeth the perfect place for cultural events. We have some fantastic events already planned that will put Lambeth well and truly on the global map. I am delighted to be able to bring our strategic vision together with the new Lambeth Events Strategy 2020-2025 to coincide with our updated Lambeth Events Policy 2020-2025.

Councillor Sonia Winifred

Cabinet Member for Equalities and Culture

The Perfect Place

Lambeth has a rich history of hosting a unique cultural range of arts, events and sports. This events strategy for Lambeth seeks to build on these strengths. We look to challenge how events facilitate stronger, healthier, sustainable and cohesive communities.

Cultural events play an essential part in facilitating social awareness and cohesion. In 2024 the Lambeth Country Show, one of the largest festivals in London and the South East, will celebrate its Golden Anniversary. Anyone who has attended this event will testify to its ability to cater for a wide range of entertainment, culinary and leisure pursuits. It brings people of all ages together through shared interests to transcend barriers. It celebrates our culturally rich and diverse communities showcasing what is great about living, working and playing in Lambeth.

Lambeth has a revered legacy for the hosting of inclusive major cultural and sports events that have shaped the lives of its residents and visitors to the borough. From cricket at the Oval to the London to Brighton Bike Ride. From dance music festivals to trapeze school events, there is always something for everyone. They provide revenue to help maintain and improve our public spaces that goes way beyond the lifespan of each event.

Our events help to bring communities together, raise the profile of the borough and enrich the lives of residents through giving back opportunities for education, work and training. The strategic plan also contributes to the Lambeth Parks Service Strategy, Lambeth's Borough Plan and the Mayor of London's Cultural Strategy.

We are proud to be part of this great borough which is the Perfect Place for Cultural Events.

PRINCIPLE 3 Deliver a borough-wide programme of cultural events

PRINCIPLE AIM	DELIVERY COMMITMENTS	TARGET	MEANS TO MEASURE	OUTCOMES
<p>Lambeth has been at the forefront of cultural events for over 170 years, with musical events and entertainment in our parks dating back to 1785.</p> <p>We will continue to develop a programme of public events that are accessible to all, varied in scale and genre and showcased across the borough.</p> <p>We will look to ensure that events are diverse and that we prioritise quality above quantity to give the best to our residents.</p> <p>Working with tourism and creative partners, we will promote Lambeth and our events as being the perfect place to attend events.</p>	We will focus our efforts on delivering more innovative public events in Lambeth from the creative, digital, health, life sciences, business, financial services and tourism industries. PRINCIPLE 4 Ensure a transparent and clear process for event organisers

PRINCIPLE AIM	DELIVERY COMMITMENTS	TARGET	MEANS TO MEASURE	OUTCOMES
<p>All event organisers will follow a clear and straightforward process set out in the new Lambeth Events Policy.</p> <p>Strategically developed events must have clear links between the Events Strategy and other relevant Council policies including economic development, environmental impact, equalities, health and wellbeing, culture, parks and tourism.</p> <p>We will also continue to ensure that event organisers meet their statutory obligations in the delivery of safe, successful and sustainable events.</p>	Integrate the Parks for London Events Policy with the Lambeth Events Guide (known as the Events Guide for Outdoor Events), and this will become the new Lambeth Events Policy.	From 2020 new events policy is integrated with parks.	Adoption of policy and Events Service Annual Report on how this is progressing. Clearer and transparent engagement with stakeholders and event organisers.	Events Service Annual Report to demonstrate feedback on how this is working and being received.	Concerns of Ward Councillors and Stakeholder groups are aired upfront and can be addressed in a longer timescale.

The calendar is circulated weekly to stakeholders. Quarterly briefings with Councillors recorded and shared via the Lambeth channels. Detailed event briefing distributed within the events application timescales.	Event Pro-forma Report on what contact there has been and how it has been addressed.	Clear communication around all event applications.

PRINCIPLE 5 Generate investment in our parks and open spaces

PRINCIPLE AIM	DELIVERY COMMITMENTS	TARGET	MEANS TO MEASURE	OUTCOMES
<p>We will invest income back into our parks and open spaces.</p> <p>We have changed the way the Park Investment Levy is calculated. Instead of a per person per day charge, it is a percentage of the overall events fees which means that it reflects the duration onsite as well as footfall.</p> <p>The Park Investment Levy remains separate and allocated for expenditure by the Parks Service in consultation with the relevant Friends of group or MAC.</p>	<p>We will adopt a tendering process for regular large and major events to formalise long-term relationships, simplify the production process and increase the income and benefits potential. Also, it will reduce the negative impacts from multiple providers across a more significant period. We have already completed Clapham Common and will look to tender other appropriate event spaces.</p>	<p>Identify Spaces suitable for longer-term tenders in line with Clapham Common. Develop tenders for those locations, including financial and social benefits as a part of the specification.</p>	<p>Events Service Annual Report on the number of Contracts, and the benefits from them.</p>	<p>Improved income and social benefits from long term contracts. Longer-term relationships with event organisers mean there is a commitment to the borough and residents.</p>
	<p>The events charging framework will be published each financial year, and high-profile event locations will be at a premium negotiated rate.</p>	<p>An annual publication of the charging framework redacted as necessary to ensure commercial viability in a competitive market.</p>	<p>Annual benchmarking via London Events Forum, Local Authority Event Organisers Group and Parks for London</p>	<p>Maximising income for the Council that can be achieved while remaining commercially competitive within the marketplace.</p>
	<p>We will remove the current complex formula for the Parks Investment Levy (PIL) and replace it with a set percentage of total income from every event, to ensure consistency and more revenue back to our parks.</p>	<p>From 2020 new events will be charged the new Parks Investment Levy (not including the damage deposit).</p>	<p>Events Service Annual Report to include the amount of Parks Investment Levy generated for each location.</p>	<p>Reporting of Total Parks Investment Levy means a transparent indication of the amount that is generated by events and ringfenced for Parks and Open spaces that held the events.</p>
	<p>We will publish annual figures on events income and where the Parks Investment Levy has been spent.</p>	<p>Publication of income and Parks Investment Levy expenditure annually.</p>	<p>Included in the annual report. Also, quarterly circulation of Parks Investment generated and forecast for the entire year so that the Parks Service, MACs and Friends of Groups can decide where to allocate Parks Investment from the beginning for the financial year.</p>	<p>Clarity on the level of income that is being generated by the Events Service and each location. Parks Investment Levy expenditure to be clear so that people can understand the financial benefit.</p>

PRINCIPLE 6 Develop event funding opportunities

PRINCIPLE AIM	DELIVERY COMMITMENTS	TARGET	MEANS TO MEASURE	OUTCOMES
<p>Each year we will promote the Lambeth Community Events Fund, It will be made available to support residents and community groups, so that can bid for funding if they are planning to organise an event.</p> <p>We will continue to develop funding programmes for community performance and dance on our park bandstands and performance spaces.</p> <p>We will also work with our commercial event organisers to establish community funding pots for local people and charitable causes.</p>	<p>An annual Lambeth Community Events Fund will be made available using surplus income generated by events. It will be divided into five areas; North Lambeth, Brixton, Clapham, Streatham and Norwood. It will be open for Lambeth residents and businesses to bid for grants in October of each year. Preference for the grant funding will be given to those who attend a two-day Lambeth Event Management Training course held by the Events Service at the Town Hall to support community event organisers in delivering safe and sustainable events.</p>	<p>Generation of enough surplus income to increase the amount available for the Community Fund. Linking with other funding pots to maximise the financial benefits.</p> <p>Aim to diversify the groups that are awarded funding and to increase collaboration between community groups.</p> <p>Diversification of the reason funding is provided to meet other targets.</p>	<p>Events Service Annual Report of the amount of funding available and the groups and applicants it was allocated.</p> <p>Events Service Annual Report on the funding requirements and establish a set of requirements for each year of the strategy, I.e. Funding for children's activities, sustainability improvements, engaging with older demographics, development of online presences.</p>	<p>Improved event delivery with groups having a stronger financial backing to deliver safe and secure activities.</p>

PRINCIPLE 6 Develop event funding opportunities

DELIVERY COMMITMENTS	TARGET	MEANS TO MEASURE	OUTCOMES
<p>Each year Lambeth bandstands on Clapham Common, in Myatt's Fields Park and Ruskin Park are supported with funding from events income to enable a programme of summer entertainment. We will continue to support this established community offer, but with more focus on encouraging health and wellbeing as well as live music. Therefore, the programme will continue to be funded by events income. However, rebranded to the Lambeth Performance and Dance Fund, which will broaden the cultural offer to our residents who are looking for a platform to showcase their talents. We will also look to extend this to other parks and open spaces where a bandstand doesn't exist, but opportunities for temporary performance do.</p>	<p>Generation of enough surplus income to fund the existing bandstands and to look at supporting performance and wellbeing activities in other locations.</p> <p>Working with existing recipients to understand what support they would need to develop their programme.</p> <p>Letting other locations know that the funding is available the types of activities it could be used for.</p> <p>Work with event applicants who want to use those performance spaces over the summer to ensure that they are part of the programme to ensure diversification</p>	<p>Events Service Annual Report on the amount of funding, types of activities and locations that they took place in.</p>	<p>Increasing opportunities for summer programmes to be delivered in areas additional to those which have bandstands.</p> <p>Increased range of activities will appeal to a range of demographics.</p>
<p>Event organisers will be encouraged to make additional grants available to community groups as part of their benefits packages to mitigate any impacts such as lack of access to a park or open space.</p>	<p>Additional funding to be available from commercial events, especially the commercial procurement contracts for community groups in the area that the events are being held in.</p> <p>Can be spent on particular projects or to find community groups ensuring a range of groups benefit.</p>	<p>Events Service Annual Report on how much money and where/how it was spent</p>	<p>Increasing cashable benefits from events for the areas that they are held in.</p>

PRINCIPLE 6 Develop event funding opportunities

DELIVERY COMMITMENTS	TARGET	MEANS TO MEASURE	OUTCOMES
Grants will have a robust and transparent governance process and processed in full within three months of the event.	As part of any contract, this will be included to ensure that everyone knows where and how the money will be allocated.	Events Service Annual Report to include amounts and where allocated. News article to go on the EventLambeth website three months after the event to report the same information.	Transparent processes so all interested parties know how this will be managed.
The Council will establish a single funding point for grants to be made by an appropriate third-party grant giver rather than the event providers themselves. The grant giver will support the Council to help seek match funding opportunities against the available funding.	Maximising the income available for each location. The single funding point will be able to ensure that each pot is allocated as per the location and other requirements associated with that funding.	<p>A dedicated website with details of funding available.</p> <p>One type of application form but clear information as to the different requirements for each funding.</p> <p>Information to be up to date around the amount in each funding.</p> <p>Events Service Annual Report to include the breakdown of funding allocated.</p>	Single point of contact means that all funding pots are allocated in the same way subject to the different location or other requirements of that available funding.
The Lambeth funding opportunities will be collated in one area of the EventLambeth website to ensure they are promoted and accessible to all our residents.	Ongoing updates to a dedicated website. With Lambeth funding and other opportunities that the service is aware of.	Asking for feedback from all funding applicants to include ease of finding the information and making improvements as needed	Making the information easily accessible so that as many groups as possible can engage and access the opportunities.

PRINCIPLE 7 Promote accessibility, sustainability and greener practices for events

PRINCIPLE AIM	DELIVERY COMMITMENTS	TARGET	MEANS TO MEASURE	OUTCOMES
<p>We aim to ensure that absolutely everyone can experience and enjoy our events. So, we will continue to make them as accessible and inclusive with help from Attitude is Everything.</p> <p>We will also continue to work towards a Leave No Trace policy by using our Green Events Guide, which sets out straightforward steps towards more sustainable and environmentally friendly events.</p>	All events will follow the Lambeth Green Events guide to help reduce carbon emissions and waste, increase recycling and move towards greener practices.	<p>All events to deliver on the essential and desirable by 2025.</p> <p>Annual revision of the Green Events Guide to ensure up to date and reflects industry best practice.</p>	Each event to be asked to complete a post-event questionnaire to highlight the actions they took. All events to use the required levels of ground protection to mitigate damage.	Ongoing assessment of events applications and identification of where ground protection is necessary and needs to be enhanced.	Prevention or mitigation of ground damage is better than reinstatement and reduces some of the impacts from events to a park or open space.
	We will commission new and refreshed Ecological Impact Assessments for parks hosting Large and Major events.	To be commissioned on a bi-annual basis. Also, to understand if other further assessments may be required.	Publication of the assessment reports.	To understand the impacts that events may be having on a location.

PRINCIPLE 7 Promote accessibility, sustainability and greener practices for events

DELIVERY COMMITMENTS	TARGET	MEANS TO MEASURE	OUTCOMES
All major events will have an impact statement (including environmental and community impact) published within four months after the event, to review actions and reduce negative implications for future events.	As per the scrutiny commission, this is something that would need to be outsourced depending on the requirements. However, a document that includes benefits, actions, complaints etc. can be produced in-house after each major event or series of events.	Published on the Eventlambeth Website four months after the event.	Provides ongoing assessment of how an event is being delivered and areas for improvement year on year.

- The Council's Stewardship Role
- Our History & Heritage
- Parks & Open Spaces as Community Assets
- Investing in our Parks and Open Spaces
- Universal Access to Parks & Open Spaces
- The Right to Safety
- Education, Art & Culture
- An Active & Healthy Borough
- Promoting Biodiversity & Sustainability
- Aiming High – Ensuring Quality

Lambeth's Borough Plan 2019-2021

Through this Strategic Plan our Events Service contributes to Lambeth's Borough Plan priority of:

Making Lambeth a place where people want to live, work and invest

- We will maintain Lambeth's award-winning parks and invest in a wider network of green spaces to support community activity and wellbeing.
- We will maintain attractive neighbourhoods with high quality leisure and cultural facilities that support and encourage healthier lifestyles.
- We will reduce our carbon emissions, significantly cut waste and encourage reuse by residents and businesses.

Enable sustainable growth and development

- We will work with our partners, contractors and local employers to ensure they pay the London Living Wage and offer jobs with fair terms and conditions.
- We will encourage sustainable development and grow Lambeth's presence as a location for creative and digital industries, health and life sciences, business and financial services, and tourism.
- We will invest in the economic viability and community facilities in our local centres to ensure that the benefits of growth are spread around the borough.

In addition, the Strategic Plan will contribute to the following Borough Plan goals:

- We will invest in peoples' skills, life-long learning and networks to equip them with the capabilities they need to benefit from London's economy. (By providing access to education, training and workplace opportunities at events across the borough).
- We will improve educational achievement and close the gap in education outcomes for those more disadvantaged pupils and those from underperforming groups. (By supporting groups and organisations who promote and deliver events that pioneer and support the education and training of our young people).
- We will work to achieve sustained reductions in serious youth violence (by providing accessible events for young people to play, socialise and undertake a range of leisure and cultural activities; and by supporting community-based groups and organisations to run diversionary events within parks, open spaces and the Town Hall).
- We will invest in the assets that our communities need to be healthier and more resilient (through events income investment across parks, open spaces and Town Hall venue space).

- We will improve the mental health of Lambeth residents and council staff, focusing on those at greatest risk (by support of initiatives for access and attendance to public events in our parks, open spaces and Town Hall - research confirms the benefits to mental health from cultural events and festivals).
- We will support people to live longer and healthier lives (Evidence proves the multiple health benefits achieved from attending cultural events and festivals that bring people together).

Mayor of London's Cultural Strategy 2018

Our Strategic Plan will support the Mayor's four priorities primarily through our work of enriching and promoting access to cultural events across our parks, open spaces and highways; and also through our principles of increasing the economic investment back in to our spaces and communities, social value and access to support, guidance and training.
