Lambeth Council introduces
Summer Event Series 2021 events on Brockwell Park

This year we are proud to introduce one weekend of live music:
Friday 3 September – Wide Awake
Sunday 4 September – Mighty Hoopla
Sunday 5 September – Cross The Tracks

We hope you enjoy the festivals. Here are some additional benefits from the events:

Investment in Brockwell Park
£48k from this year's event for the park.

- Previous years events income has also paid for: • for horse trough plants • repairs to gates and entrances • drinking fountains • plants and match funding for grants • concrete posts and fence improvements at Brockwell Park Gardens • hedge planting and installation of composting bins.

Investment in Lambeth
Over £200k for the council

- Multi-genre culturally diverse events • pays for the community events funding • pays for the community events training • supports over 200 community events • creates positive messaging for the borough.

Investment in people
Over 790 crew and event staff working onsite

- Creates job opportunities for local people • supports workforce recovery, work experience and training opportunities • creates social benefits to attendees

Investment in community
Supporting Herne Hill businesses

- Ticket donations support community funding • generates estimated £2.5m to local economy • benefits tourism spend in the local areas • local hotels and accommodation are used.

The event will be on the event space from Wednesday 25 August until Sunday 12 September. For information on the events, visit wideawakelondon.co.uk, mightyhoopla.com, thetracks.com
