## APPEAL AFTER 25 CRASHES IN ONE YEAR IN DANGER ROAD

BY JAMES TWOMEY  
james@slpmedia.co.uk

Residents living in a road that has seen at least 25 car crashes in this year are desperate for safety measures to be introduced "before a child gets killed".

Croxted Road, a main road which runs between Brockwell

Park and West Dulwich railway station, has been the scene of many dramatic car crashes this year.

Of the 25 recorded collisions, at least five have seen cars flipped on to their roofs. Luckily there have been no fatalities.

Alex Farrington, 39, is chairman of the Croxted Road

Residents' Association, and said he was scared for his young children's safety when he puts them in his car parked outside their house.

"Where I live is one of the notorious spots for speeding," he said.

"Cars whip around the corner. "You hear people gunning it at

60mph. It's terrifyingly fast.

"I'm worried someone walking down the street is going to end up with a car on top of them. It's a fatality waiting to happen."

Mr Farrington had his car written off in June 2021 while it was parked outside his home when

## Budget cut 'set to cost households about £13m'

Lewisham Labour has slammed the Chancellor's reported decision to axe the £842million national Household Support Fund that has helped families with food and energy costs.

The party claims Chancellor Jeremy Hunt has cut the fund "by stealth", with the news coming after the Autumn Statement just weeks ago, by not extending it beyond its April 2024 end date.

Lewisham Labour claims households in the borough are set to lose £13million as a result. In the most recent round of funding Lewisham council used the Household Support Fund for £2million of support for 10,000 children during the school holidays who receive free school meals.

Mayor of Lewisham Damien Egan said: "Household finances remain stretched for so many. It is the wrong time to be cutting this support and I call on the Government to reverse this decision."

A Government spokeswoman said: "We have invested more than £2billion into the Household Support Fund over the last two years - with almost £800million already paid to families with children to help with the cost of living."

**NOTICE of Change to the Charitable Scheme of St Clement Danes Holborn Estate Charity (Charity No. 206754)**

The St Clement Danes Holborn Estate Charity provides almshouses for older people in financial need, provides funding to the St Clement Danes School in Chorleywood and may also support those in need in the Westminster area. The Charity is modernising its governance structure by appointing a 'corporate trustee', which means that a not-for-profit company will become the sole trustee of the Charity and the Charity's current trustees will become directors of the not-for-profit company. This structure makes it easier for the Charity to manage its property and affairs and is a common structure for charities like the Charity.

The Charity also plans to adjust the age qualification requirements for its almshouses so that both men and women must be at least 60 years old to move in. Currently the age limit for women is 50, but the Charity feels that this disparity is no longer justifiable in view of current social and economic circumstances, e.g. both men and women working and earning into their 60s. The Charity does however plan to retain the ability to admit those aged 50-59 in exceptional circumstances.

The Charity is taking legal advice in relation to the proposed changes, to ensure they are implemented correctly.

The Charity wishes to ensure that anyone who may be affected by these changes has the opportunity to comment on them. If you have any comments, please contact Keith Rea the Chief Executive of the Charity at [krea@3chars.org.uk](mailto:krea@3chars.org.uk) by no later than 15 December 2023. Thank you.
